

KwaZulu-Natal Planning and Development Act 6 of 2008

KWAZULU-NATAL PLANNING AND DEVELOPMENT ACT 6 OF 2008 — OVERVIEW

Provides institutional and procedural mechanisms for development planning in KZN. Must be read with the national Spatial Planning and Land Use Management Act 16 of 2013 (SPLUMA) and municipal planning by-laws.

Key themes

- Development applications and appeals
- Alignment with municipal spatial development frameworks
- Cooperative governance between province and municipalities

NOTE: Educational summary. Check SPLUMA by-laws of the relevant municipality (e.g. eThekweni) for operational rules.
