

National Health Insurance Act 20 of 2023

NATIONAL HEALTH INSURANCE ACT 20 OF 2023 — OVERVIEW (EDUCATIONAL)

Purpose

To achieve progressive realisation of the right of access to health care services under section 27 of the Constitution by establishing a National Health Insurance Fund and related institutional arrangements.

Key themes

- NHI Fund as a purchaser of health care services
- Registration of users and certification of providers (as implemented over time)
- Governance, advisory committees and accountability structures
- Interaction with existing public and private health arrangements during transition

Practical note

Many day-to-day effects depend on commencement dates, regulations and pilot phases. Always check the latest Government Gazette notices before advising clients or making personal decisions about medical schemes.

Related case law themes: Minister of Health v Treatment Action Campaign (access to health care; reasonableness).
