

POPIA Regulations, 2018

REGULATIONS RELATING TO THE PROTECTION OF PERSONAL INFORMATION, 2018

Highlights

- Manner of dealing with data subject objections and correction requests.
- Additional responsibilities of information officers, including impact assessments and awareness.
- Prescribed forms for complaints to the Information Regulator.
- Requirements supporting consent where relied upon as a lawful ground.

Practical compliance

Responsible parties should align PAIA manuals, privacy notices, operator agreements and security measures with both the Act and these Regulations, and register information officers as required.
