

National Minimum Wage annual adjustment notices

NATIONAL MINIMUM WAGE — REGULATORY FRAMEWORK

The National Minimum Wage Act 9 of 2018 establishes a national minimum wage. Annual reviews by the National Minimum Wage Commission culminate in ministerial notices adjusting rates.

Categories commonly scheduled

- General national minimum wage (hourly)
- Farm workers
- Domestic workers
- Workers in the expanded public works programme

Employers must still comply with BCEA schedules, sectoral determinations and bargaining council agreements where more favourable.

Enforcement

Labour inspectors; claims via CCMA / Labour Court pathways depending on nature of claim.

NOTE: Always verify the latest Government Gazette notice for current rand amounts. Figures change annually.
